Parish contributes \$2856 towards Cost of a Parish Member's tuition or

Parish contributes \$2456 towards Cost of a non-Parish Member's tuition

Home & School + SCRIP Programs provide \$721 towards Cost

Your child's tuition will help support these NEW top-notch educational tools without an additional Technology Fee!

### Clevertouch Interactive Displays

These interactive displays allow multiple students to do hands-on activities pertaining to a lesson. The Clevertouch also gives access to many different apps that can assist in teaching a specific concept at an appropriate grade level.

### Freckle Math

Freckle Math works with the STAR 360 math assessment to provide each student with lessons that fit his or her needs and ability level. Students can also participate in inquiry based lessons to allow students to discover math concepts through real-world scenarios. Freckle Math received the 2019 Tech & Learning Award of Excellence – Impacting Educators and Student Success.

### myON News and Literature

The award-winning digital literature program myON gives students access to thousands of digital books at each student's reading level. myON News will also provide age-appropriate timely news articles and current events allowing all students to learn about the world around them.

Award-Winning Educational Programs

### Classroom Air Quality

Austin Air Systems Air Purifiers in every room. "The Medical Grade HEPA technology used in these filters is proven to remove 95% of all pollutants as small as 0.1 microns. "

## How do investments from St. John's Home & School Association and the Scrip program keep tuition affordable at St. John's?

### Home & School

Home & School works at providing funding for the purchase of special school items and activities that cannot be purchased through the general school operating budget. To better enable H&S to continue fundraising for our school, each school family is asked to volunteer for a minimum of 15 hours throughout each school year running June - May. Each hour of volunteering will be valued at \$20. At the beginning of the school year, a \$300 Work Hours Fee will be charged to each family's FACTS account online. For every hour you volunteer, you will receive a \$20 credit to your account. The \$300 Work Hours Fee will show on your FACTS account, but will not be billed until May, if there is any remaining balance due. We are hoping that everyone will give the required amount of time, so that we do not need to collect this fee.

### SCRIP

To keep our tuition as low as possible, each family needs to purchase at least \$1,500 in SCRIP gift cards throughout the year (June 1<sup>st</sup> to May 1<sup>st</sup>). Families with more than one student will need to purchase \$1,500 in Scrip gift cards, plus \$500 in SCRIP for each additional child. Purchasing SCRIP gift cards does not cost you anything, but brings in between 2% to 20% profit for the school. A SCRIP app can be downloaded on your phone making this school fundraiser very convenient. If you choose not to purchase \$1,500 in SCRIP, you will need to make a payment of \$150 to St. John's SCRIP account.

### Learn More

You may learn more about these fundraising programs, our educational programs and see photos and videos of our school any time at [www.StJohns-SpringGreen.org](http://www.StJohns-SpringGreen.org). And when you are ready to Apply just head to our website and click on the Menu on top right, then Admission.
